WAIVER OF VACCINATION

WAIVER OF VACCINE – Complete if not eligible to receive vaccine or have no positive titer to the virus.

I am not eligible to receive the Varicella vaccine based on my medical history (questions 1-4).

I am pregnant and receiving a temporary exemption.

I am not eligible to receive the Varicella vaccine or have not developed immunity to Varicella, and I understand my risk and responsibility. I hereby release, hold harmless, and agree to indemnify Aspen University, its staff, and clinical sites from any and all responsibility or consequences which may result from my lack of immunity to Varicella. I can access a copy, CHICKENPOX (VARICELLA) VACCINATION – WHAT EVERYONE SHOULD KNOW, a vaccine information statement developed by the U.S. Department of Health and Human Services (Centers for Disease Control and Prevention) for detailed information regarding Varicella virus. Further, I understand that my lack of immunity to Varicella may result in the refusal of a clinical placement based on individual clinical partnership contracts.
